NINETEEN THIRTY TWO

THE YEAR BOOK OF  
THE STUDENT BODY OF

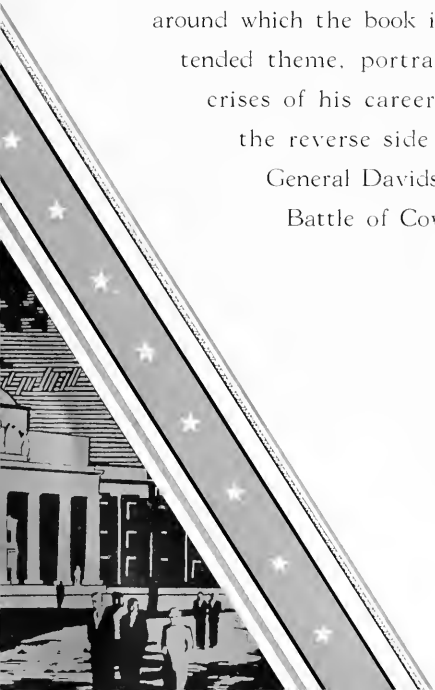

**DAVIDSON**  
**COLLEGE**

**DAVIDSON**  
NORTH CAROLINA

# FOREWORD

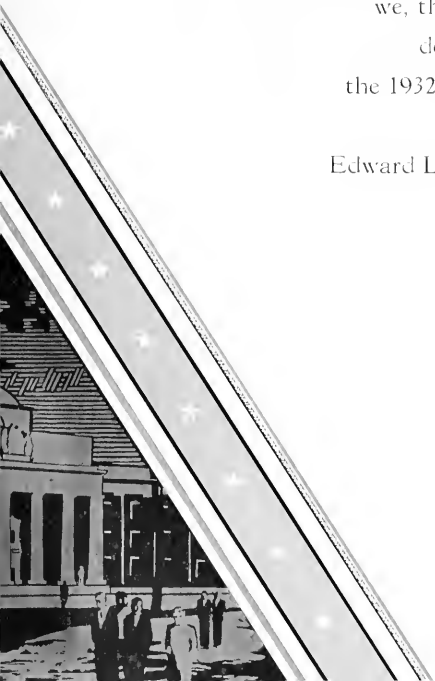

IT is the single desire of the editors of this volume that it shall in a tangible form give endless life to those cherished and multiple memories which could not but emanate from the halcyon days of the undergraduate, a period all too fleeting yet enduring unto the end. ∞ Davidson College was founded in 1837, a portion of the land being given by William Lee Davidson, II. The name was chosen as a tribute to his father, General William Lee Davidson, to one who had gained immortality in the minds of men by serving and dying without thought of self in that cause greatest in the chronicles of the American people, the Revolt of the Colonies against the yoke of Britain. ∞ The illustrations around which the book is built, forming the body of its intended theme, portray General Davidson at the greater crises of his career. An explanation may be found on the reverse side of each. ∞ On the opposite page General Davidson is shown immediately before the Battle of Cowan's Ford in which he gave his life.

# DEDICATION

**I**N token of our gratitude to one who has  
during nearly half a century as student,  
as alumnus, and as friend ever given abund-  
antly an immeasurable bounty of encour-  
agement, counsel, and support to this his  
Alma Mater, to one who as a kinsman car-  
ries on into perpetuity the noble tradition  
of General William Lee Davidson,  
we, the Class of 1932,  
dedicate this,  
the 1932 Quips and Cranks  
to  
Edward Lee Baxter Davidson

THE COLLEGE

**A**T the early age of seven years William Lee Davidson emigrated with his father from Pennsylvania to the Piedmont Section of North Carolina. Near the site which is now Davidson College they made a permanent settlement.

Here we see the Davidson family, pioneers, father and son, making their way through the wilderness in search of a new home.

### CHARLES W. SEIFERT

*Military Science and Tactics*—Capt. Inf., U.S.A. G.M.C. (Infantry School).

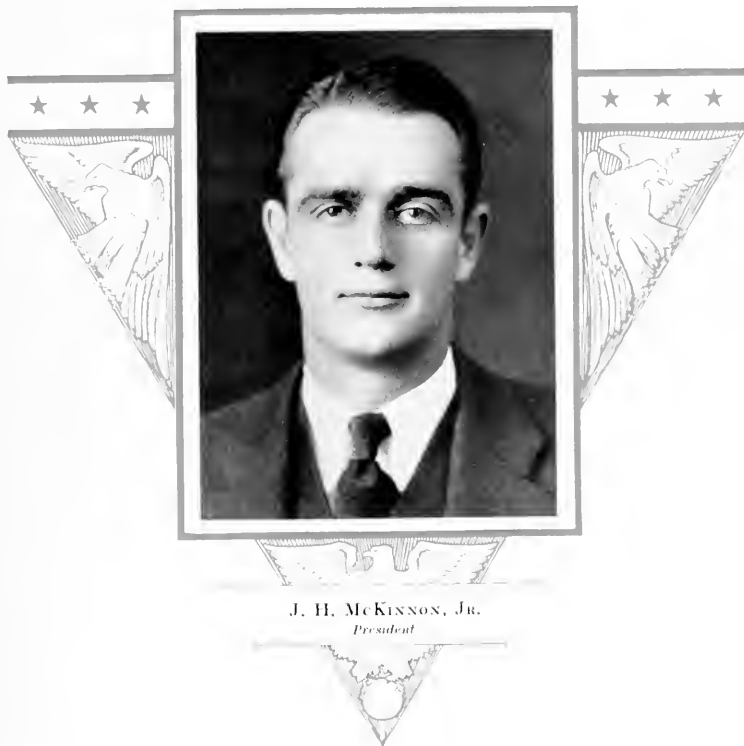

# THE CLASSES

**A**S did all good sons of early pioneer stock, William Lee Davidson, then but a lad of thirteen, joined the militia, an ever increasingly important phase of life in the Colonies.

Thus the painting portrays the origin of a military career destined to cause the name of its protagonist to become a lasting legend in the annals of our nation.

## SENIOR CLASS HISTORY

**I**NTO a world of economic depression, political disturbance, and spiritual skepticism the college graduates of 1932 are privileged to step. Enthusiastic parents and friends and the world at large look to us for a solution of the amazing problems and difficulties, which, they say, is beyond *them*. New blood, fresh spirit, the younger generation must be called in. We are hailed as deliverers, and before we are able to offer any remonstrance, or even opinion, in the matter, the accumulated evils of the past are put to us for adjustment.

Theoretically this is unfair. We have had nothing to do with the political, social, and economic unrest in the world today. We as a generation came upon the planet an approximate twenty years ago. Now, when we are beginning to get our bearings and are resolved to enjoy a quiet and cultural life, our sires hand to us the burden of economic and social distress with the tired, terse remark, "See what *you* can do with it!"

We are baffled. Conditions of vice, crime, misappropriation are flagrant. Political office, instead of symbolizing service to a people, represents the seat of power, affluence, and graft. The urge to national aggrandizement but disguises motives of personal ambition. Success is measured in terms of dollars and cents. The conflict between religion and pseudo-science is embittered by over-literization on the one side and an intolerance of all but the material on the other. The monopoly of wealth breeds a large oppressed class (for it is oppression not to provide). Ownership in the hands of a few restores the vassalage of feudal times. Mechanization has sown the seeds of pessimism, and standardization is destroying the individual.

Yet even though we resent the yoke imposed on us and wish with Hamlet to cry, "The time is out of joint; O cursed spite, that ever we were born to set it right!" our generation is not without a sense of duty. If we are to accept of our

heritage the good and the beneficial, in science and in letters, duty tells us that we must accept also, and strive to eradicate, the accompanying evils. Our ability and fitness to cope with social and world problems lies in our training for them. Our training reveals the history of the individual classes of 1932.

Ours here is neither exemplary nor bizarre. True, we have progressed on the campus; our newspaper editorials have been bolder, more expressive of unbiased student opinion; we have re-stirred the social life question and have decried the existence of many non-functioning honorary fraternities—issues which we leave for our ambitious successors to further—but they of themselves are transitory. Not in scholastic attainment, nor in athletic record, nor in individual achievement lies the history of the class, but in the gradual absorption by a group of an ideal.

This is not easily defined. We, who have spent four years on the Davidson campus and have watched classmates and under-classmen develop, will attest to a marked feeling of well-bredness, a sense of proper conduct toward the other man, abroad on the campus. It is not boasted, but natural; it is part and parcel of Davidson. Its absorption is a slow, subtle, subconscious process.

It is our contribution to the world and to the communities from which we come. For four years we have been bred here. Unconsciously we have absorbed the friendly and gentlemanly spirit which, vague to express, is yet all-pervasive. Among well-bred, person-respecting individuals there can be no constant strife, no jealous greed. Similarly in communities made up of like-developed personalities the tendency, the line of action, must be toward the general good. And so with cities and with states and with nations. The whole is the aggregate of its parts.

We recognize, among others, three outstanding supports through our days at Davidson. Chief of these have been our

parents. Their support, their foresight, and their over-stretched patience are to us blazing examples of the law of love and life. To our faculty and organized society we are immeasurably beholden, to the one for the use of their rich background, and to the other for its very existence, without which no amount of wealth could so educate us. And then to Davidson, to her buildings, to her traditions, to her spirit, we pay final tribute. These have been the moulders of practical ideals, of a slowly developed attitude.

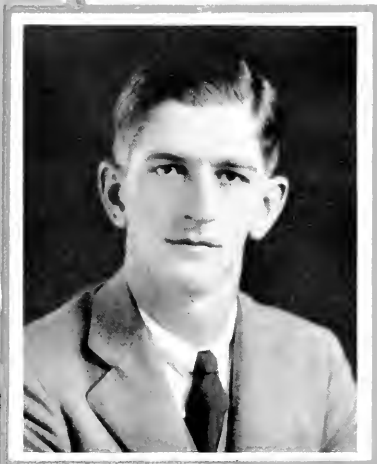

The effect of the trifold interest in us has been our awakening to the one-third deficiency of a life which exercises the physical and the mental to the exclusion of the spiritual. It has potentially stirred our resolve so to live and conduct ourselves among men "that when we come to die, even the undertaker will be sorry."

## JUNIOR CLASS HISTORY

WITH three-fourths of its journey completed the class of '33 pauses briefly to take a fleeting glimpse into its life of yesteryear. It has been one so rich in activity and so full of never-to-be-forgotten experiences that nothing short of a volume would suffice for a complete class history. This writing must speak for the class as a whole; individual experiences as numerous as the tolls of the Chambers bell since the advent of our class in 1929 must henceforth be a closed volume except for those of our own group to whom they will always remain as dearly cherished memories.

They tell me I can write only two hundred and fifty words more—"Haste thee, nymphs, and bring with thee, thoughts expressed with brevity". A brief glance makes manifest the preëminence of our class of "Jolly Juniors." Turn as you will to athletics, to scholarship, or to activities, '33 continues to bolster our teams on grid, diamond, court, mat, cinder path, and hardwood floor. The class is likewise an influential element in campus thought, unquestionably prominent in

scholastic achievement, and peculiarly well represented in many phases of extra-curricular activity. To see the calibre and attainment of '33 it is not necessary to search far into the past. A look at the class now as the year wanes shows it in the full blown flower of its progress and achievement; there are men who stand out for one reason or another, be it on the honor roll, on an athletic team, or in some other phase of worthy endeavor.

The new Chambers Building was completed in 1929. The first privileged group of Freshmen to enjoy it, our class has not ceased to strive to bring honor upon its halls and classrooms (and give its fine steps a deeper, more rounded appearance!) We pride ourselves on being the first group to abolish that period of ordeal for the Freshmen called "Soph Day." A beautiful tree now flourishes in front of Chambers which we planted on the last Soph Day in the history of the College as an ever increasing, resplendent tribute to that immortal class deserving of praise and fame, the Class of Nineteen Hundred and Thirty-three! —D. D. McB.

SOPHOMORE

## SOPHOMORE CLASS HISTORY

A. H. MANSON, JR.  
*Secretary and Treasurer*

**T**HE Class of 1934! No small task is it to record her achievements, yet it is a still greater undertaking to compress the list into so small a compass. No more than a glimpse, an epitome, can be given. But that, showing the trend of her varied phases of work, must serve as an indication of her broader activities.

Nineteen hundred and thirty-four was officially introduced to Davidson College on September 9, 1930. One hundred and ninety strong, our class quickly became an integral part of the life of Davidson. Our Freshman year, ever a period of adjust-

ment, was nevertheless marked by many signs of progress. In football, because of numerous injuries, our percentage of victory was low, but the Wildcat spirit was quite as evident in the 'Kittens as in the 'Cats. In basketball, in wrestling, in baseball, and in track '34 had a successful year. In the field of scholarship, too, the class was no laggard. For the first semester five of our members made the Honor Roll, and six gained this distinction in the Spring term.

Now, as Sophomores, we continue steadily to advance. Officers of our class are: E. L. Powell, President; John W. Lafferty, Vice-President; and Andrew Manson, Secretary and Treasurer. This year '34 has been well represented in athletics with Julian West in football; John Lafferty and Mack Holland, both of whom made their letters in basketball; and Corbin, Hodges, Jenkins, and Wilson in wrestling. J. A. Halverstadt holds the college tennis championship, and our class captured the volley ball championship.

The Class of '34 has continued to uphold her scholastic standard. During the Sophomore year five of our number again made the Honor Roll; J. T. Blair, F. R. Hellegers, J. A. McGeachy, W. M. Thompson, and W. T. Thompson, Jr.

With two years of our college career almost gone it is not our intention to devote our time to pointing with pride; rather we count our past attainments merely as tokens of the greater things 1934 shall do in the fuller part of our college life now opening before us.

— J. A. McG., JR.

# FRESHMAN

## FRESHMAN HISTORY

THE Class of '35, like all other Freshman classes, was met with a number of disillusionments. The too-potent and fundamental influence lies in the fact that movies have warned them that college is a winter resort with much gin and jazz—and hazing and other naughty goings-on. It usually takes a whole week to dissociate these illusions from their minds. Some are surprised and a little disappointed to learn, too, that there really are classes which one must attend at college—things rarely heard of outside the walls of erudition. It must be said, however, that the newcomers this year were of sagacious timber and settled to the inevitables with no audible misgivings, especially for the absence of paddling, et cetera, which, by the grace of Allah and the Administration has long since been dismissed. There are, of course, a few neophytes who cling tenaciously to some of the more pleasant illusions but the bogey man gets them if they don't watch out.

Being blessed abundantly with good athletic teams, the Class of '35 supported them loyally. Also it might be mentioned

that there were some scholarly fellows in their midst.

A radical departure from the normal order was in the election of an upperclassman to keep an experienced finger on the pulse of the class. Heretofore it had been the custom to elect Freshman officers much in the same way in which all good little classes elect officers. Rumors began to spread, however, that to be an officer in the Freshman class was to commit political suicide whereupon steps were taken to prevent further expirations. Consequently, it was decided that the Freshmen should elect an upperclassman to act as spokesman, big brother, and fairy godfather; in this capacity they selected Sam Wiley, of the Senior Class, to stick in a figurative oar, which he did with dignified dexterity, much to the advantage of the class. The plan, if it continues to function as well as it has this year, bids fair to fulfill entirely the expectations of its brain parents.

It should be mentioned in self-defense that for a Freshman class to make history would be very disrespectful.

VEREEN BELL.

★ ATHLETICS ★

**W**HEN William Lee Davidson was about twenty-two years of age he joined an expedition to repel the hostile Cherokee Indians, this being his first active military experience. Signal success rewarded the efforts of the defenders.

The illustration represents Davidson and one of his companions as they reconnoiter an Indian village.

D. M. MACQUEEN  
*President, Athletic Association*

## DAVIDSON SPORTS

DAVIDSON athletic teams during 1931 and 1932 in general failed to set for themselves the high records of some of their predecessors. Material for all of them was not available either in the quantity or the quality that has been at the command of the Wildcat mentors in times past. Schedules were as hard as or harder than those of former years, always containing several Southern Conference teams. Hence the showing of Davidson in most cases, though disappointing, cannot be laid to any one cause, but it must be attributed to a strong combination of several factors.

Notwithstanding the failure to win Big Five games in either football or basketball, Davidson did not fail in every sport to provide more than its share of thrills, and

they gave both students and alumni much of which to be proud.

In football the Wildcats held off drive after drive of Washington and Lee to hold onto a slim one-touchdown lead. Two perfect plays against The Citadel accounted for as many Davidson touchdowns in what was the best home game of the year. A highly favored Duke team was outplayed throughout a thrilling Home-Coming Day contest and finally had to fight with their backs to their goal to cut off a Davidson touchdown.

Although Davidson had one of its poorest seasons in many years of basketball, Coach Laird's team was strong enough late in the season to cause both Carolina, finalist in the Southern Conference, and North Carolina State to extend themselves to win. In the two final games of the year against The Citadel and The College

of Charleston the Wildcats led at the half only to see their lead cut down by their opponents in the last stages.

Fine individual performances in both wrestling and track made these two sports likewise noteworthy.

THE COACHES

The same coaching staff which directed Davidson's athletic program last year continued in leadership the current season. Their work was unusually successful, the scarcity of material with which they had to work being considered.

Monk Younger and Tex Tilson were faced with unusually poor football material in September, but they nevertheless were able to build a team which won half its games on a schedule that included five Southern Conference opponents.

LAIRD

WHITTLE

UNGER

FRESHMAN COACHES

Flake Laird and Doc Unger, on the other hand, had the best Freshmen material at Davidson in a number of years, and they turned out a smooth functioning unit which was one of the outstanding Freshman teams of the state.

Laird coached both varsity basketball and baseball, and in both sports he was hampered by the inexperience of his players. His basketball team got off to a slow and uncertain start, but it picked up near the end of the season and at the finish was moving along nicely. A great deal of experimenting had to be done to hit upon the best combination, but the five which he finally put together worked effectively.

A similar condition prevailed in baseball, but here the results were not so good. Not having any outstanding men with

which to work or around which he could build a team, Laird was handicapped from the start and was forced to work under difficulties all the way.

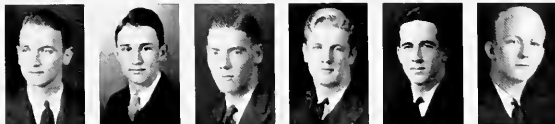

Doc Unger's Freshman wrestlers made the best record of any athletic team of the year. They went through a hard schedule undefeated up to their last meet, losing this one to the University of North Carolina Freshmen only after a hard fight in every weight. The varsity team's success could be measured only by the outstanding character of a few of its individual members.

Tex Tilson, Captain Pritchett, and Heath Whittle united in their work with the track team to give Davidson another splendid season on the cinder path. Here again unusual individual achievements made the year well above average.

## FOOTBALL

R. W. GORRELL  
*Varsity Manager of Football*

Davidson won four, lost four, and tied two of their ten games last fall. Coming back well after a bad start, the Wildcats improved steadily until at mid-season they presented one of the best teams in the state. Although they failed to win any of their Big Five contests, a great Home-Coming Day fight against Duke and fine games against W. & L., V. M. I., and The Citadel made up in part for this.

The season's record is far from bad when it is remembered that at the start the Wildcats were conceded only an outside chance of winning more than two or three of their games. Although the coaches did not have an abundance of material with which to work, they carried the team

successfully through the hard ten-game schedule, using only twelve to sixteen men per game.

### DAVIDSON 13 — ELON 2

Davidson opened its 1931 season against Elon, and the results of the game seemed to bear out the dismal reports that had been coming from the Wildcat camp in early season forecasts. The Christians were by no means a set-up, giving the Davidson team one of its hardest fights of the year.

The Wildcats were held to two touchdowns. A safety following a blocked punt gave the Christians their two points.

### DAVIDSON 7 — N. C. STATE 20

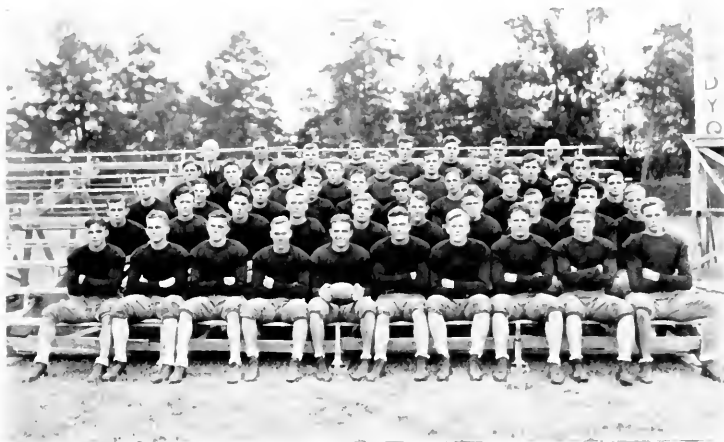

Playing North Carolina State for the second time at night and in Greensboro, Davidson clicked as a unit for the first time during the season. After being pushed all over the field by the heavy Wolfpack during the first half, the Red and Black trailed by 20 to 0. The coaches shifted the line-up, and during the third and fourth periods the Wildcats made a strong comeback.

Peabody, Pearce, and King led an offensive that ripped through State for Davidson's only score late in the third period, and their driving offense was continued during the rest of the game. The State machine that had earlier gained almost at will was completely stopped. Late in the fourth quarter Davidson was even headed down the field again toward another touchdown.

### DAVIDSON 7 — WASH. AND LEE 0

The Wildcats sprang the biggest upset of the early season in their brilliant defeat of Washington and Lee. W. & L. was favored to win, but throughout the first half they could make only one serious threat on Davidson's goal, and this was successfully stopped. The half ended with the score of nothing to nothing.

VARSITY FOOTBALL SQUAD

Pearce and MacQueen in the backfield and Whitfield and Mathis in the line played sparkling games. Pearce's punting averaged well over forty yards and proved an important factor in holding off Washington and Lee.

#### DAVIDSON 7 — V. P. I. 18

Davidson's second trip into Virginia failed to be as successful as the first. The Wildcats scored a touchdown early in the game against V. P. I. and tenaciously held to their lead until near the end of the third period. But the strength and weight of the Gobblers began to tell. After placing the ball in scoring position in the third quarter, they made their first touchdown early in the fourth. Two more scores came in quick succession with Casey leading the offense. The extra points were not converted in any attempt.

#### DAVIDSON 0 — DUKE 0

Before a large Home-Coming Day crowd of alumni Davidson fought Wallace Wade's first Duke team to a standstill and

distinctly outplayed them in a nothing to nothing tie. It was Wade's first introduction to a Davidson eleven, and his comments were of the highest order regarding its fight and sportsmanship. Duke was the heavy favorite in the early dope but the contest was evenly fought throughout.

The Wildcats used only 13 men in the whole game, the line from tip to tip playing without a substitution. Pearce, Peabody, and MacQueen in the backfield and Johnston and Whitfield in the line played fine games for Davidson. King received three passes, each for substantial gains; Pearce's punting was an important factor in the Davidson defense.

#### DAVIDSON 0 — ERSKINE 0

The next Saturday Davidson received a dose of the same medicine she had given Duke, Erskine holding them just as the Wildcats had held the Blue Devils, the game being another scoreless tie. It was far from an exciting fray, and Davidson plainly showed the effects of the four hard games immediately preceding.

DAVIDSON 7 -- V. M. I. 0

Showing a complete reversal of form, Davidson came back to defeat Virginia Military Institute 7 to 0 the following week. The offense of the Wildcats worked smoothly most of the time and the defense was strong enough to hold Smith and Travers, the Cadets' main running threats, at a safe distance from the Davidson goal.

Bill Flinn scored the only touchdown late in the third period when he climaxed a prolonged drive with a 24-yard dash off tackle to score.

King and Pearce together with Flinn did most of Davidson's ball carrying for the

afternoon. Pearce added a 22 yard run to Flinn's scoring spree. Peabody, of Davidson, and Smith, V. M. I. safety man, each made long returns of punts of over 60 yards to share equally the honors for the longest run of the day.

#### DAVIDSON 14 -- THE CITADEL 7

Two almost perfect plays, one a 30-yard pass and the other a 20 yard run, accounted for Davidson's two touchdowns against The Citadel, and gave the Wildcats a 14 to 7 victory in their last home game.

The Wildcats continued the brilliant offense they had displayed the week before against V. M. I. Mills returned the

initial kickoff of the game 57 yards to the Bulldogs' 38-yard line. After a line play and an incompleated pass had gained only a yard, Mills heaved a short one to King just over the scrimmage line, the latter running the remaining distance to the goal untouched.

Again in the third period the Wildeats worked the ball down to The Citadel's 20-yard line. Then Charlie Pearce shot off right tackle, cut back through a broken field, and crossed the goal line for a marker. The Citadel's score came as the result of powerful line plays.

Peabody, Pearce, and King again were the outstanding backs for Davidson. Jennings and McIntosh did almost all of the Bull-

**MATHIS**

*Guard*

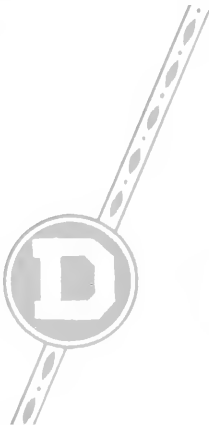

dogs' ball carrying. The latter also played a fine game as defensive fullback.

**DAVIDSON 0 — CAROLINA 20**

A smooth working North Carolina team rudely administered to Davidson the most severe defeat it received during the season, scoring three touchdowns and two extra points against the Wildcats to win 20 to 0. Just as Davidson had scored against The Citadel by working perfect plays, so did Carolina exhibit flawless team-play to run up its score.

Davidson fought Carolina on even terms through the next two periods, threatening several times but never being able to

punch over a score. Finally in the last quarter Carolina put over its final touchdown when Lassiter bucked the ball over after a series of long drives down the field. The Davidson offense was well throttled by Carolina, but on the defense Pearce and MacQueen played good games, as did Whitfield and Gardner.

#### DAVIDSON 0 — WAKE FOREST 7

Davidson again unsuccessfully tried to break the long-standing Wake Forest bngaboo on Thanksgiving Day in Charlotte, but a last-quarter rally by the Deacons resulted in their lone touchdown after

Davidson thrusts had been consistently turned back by the Baptists.

In the fourth period Wake Forest was stopped within the Wildcat's 10-yard line, only to have a 20-yard punt return by Wilson bring the ball back within scoring distance. A pass from Wilson to Brogden for 25 yards gave the Deacons their score.

Pearce and MacQueen did the majority of Davidson's ground gaining, and the former likewise did the majority of Davidson's passing and punting. Dunc Wilson was the most consistent ball carrier for Wake Forest.

# BASKETBALL

## VARSITY BASKETBALL

R. K. MORTON  
*Varsity Manager of Basketball*

DAVIDSON has experienced one of the most disastrous seasons in her history of basketball. Goodson, Rusk, and Proctor, who had led Davidson basketball teams to many victories for the past three seasons, were lost by graduation. Captain Doc Mathis, forward, and Grier Martin, center, who had seen regular service during the 1931 season, were the only lettermen to return. In addition to these two there were Steve Brown, Bruce Peabody, Harry Boucher, and Meade Bernard, who had seen considerable service in the previous season. John Lafferty, Mack Holland, and James Halverstadt, Sophomores who were on the Freshman squad of last year also constituted bright prospects.

Tom Patrick, Charles Myers, and Fred Dickerson completed the list of prospects.

Flake Laird, who just five years ago had starred for Davidson in three major sports and who for the past three years has directed Freshman athletics, assumed the duties of coaching varsity basketball to succeed Coach Monk Younger.

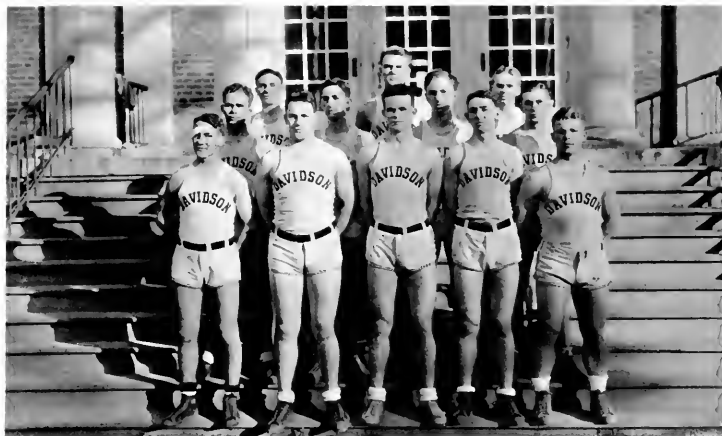

To say that the Wildcat season was a complete failure would be unjust to those who well gave their services to Davidson on the courts. When the strength of North Carolina's teams this year as evidenced by the account they gave of themselves in the Southern Conference tournament is considered, it will be called to mind that Davidson faced one of the hardest schedules in her history.

In the opening game of the season, played in Charlotte, the Wildcats were defeated by a strong Carolina team by a 15 to 29 score. The Tar Heels exhibited a smoothly working five, gradually gaining a commanding lead while holding the Wildcats safely within their power. The winners held a 19 to 9 lead at the end of the first half.

The 'Cats met Furman at Davidson in their second game and were completely outclassed by the visitors. In the first half Davidson was held to two foul shots while Furman amassed eleven points. After intermission the 'Cats greatly improved their playing but they were unable to overcome the opponents' lead and lost by a 19 to 8 score.

The Davidsonians won their first game when they downed a strong Guilford College five, 22 to 18, in a spirited contest played on the home court. The 'Cats held a 9 to 7 lead at the half.

On their first eastern invasion the Wildcats suffered their worst defeat of the season at the hands of Duke University. The Blue Devils put up a defense which the 'Cats were unable to penetrate; they

VARSIY BASKETBALL SQUAD

consequently had to be satisfied with six points, all of which were gained by fouls. Duke used three different teams to gather twenty-one points.

The same outfit again faced Davidson in the next game, played in Charlotte. This time the Wildcats showed a reversal of form, but they nevertheless lost to the Blue Devils 38 to 20.

Following the defeats by Duke, they engaged a fighting Erskine quintet. Despite a spirited last half rally by Davidson, they were nosed out in an extra-period, the final score being 28 to 27.

The Red and Black warriors made forty-one points against Lenoir-Rhyne for the season's highest score. The Bears were held to twenty-two.

In the following game, played against the Barium All-Stars, a team composed of former Davidson Stars, the Wildcats again lost by only a small margin. The All-Stars won 16 to 14 after holding an 8 to 2 lead at the half.

On their second invasion of eastern North Carolina, Davidson exhibited her best play of the season. In the first game of the trip, played against N. C. State in Raleigh, the 'Cats routed the Red Terrors and were leading 16 to 8 at the half. Yet the Technicians gradually decreased this lead during the second, until finally, with only two seconds to play, a State player shot a field goal to give his team a one-point victory over the 'Cats. The final score was 27 to 26.

Inspired by their showing against State, the 'Cats resolved to defeat Carolina in the second game of the trip. Both teams started out slowly, showing no enthusiasm during the first half. But starting the second half with the score 14 to 12 in Carolina's favor, the Wildcats quickly jumped ahead and were holding a 28 to 22 lead with only a few minutes to play. A volley of accurate shots by the Tar Heels in the closing minutes overcame the Wildcat

lead and gave the University boys a well-earned 32 to 28 victory.

The College of Charleston next confronted the Davidson quintet. Once more the Wildcats started out slowly and were behind 17 to 11 when the initial period ended. Early in the second half the 'Cats presented a smooth working offense which increased the score to thirty-two points. A strong defense held the visitors to one lone field goal for an evening's total of nineteen points.

Wake Forest next visited Davidson to determine who should fill the Big Five cellar. The 'Cats obtained an early lead which they held at the half, but the Deacons played remarkable basketball in the final period to obtain their only Big Five victory. The final score was 32 to 19.

Elon, led by a stellar center, Rollins, defeated the Wildcats in their last home game 32 to 30 after a spirited battle. An extra quarter was necessary to determine the outcome. Elon held a 17 to 9 lead at intermission but the 'Cats fought strongly in the second half to get ahead only to lose their lead again.

Then followed the trip to South Carolina where the Wildcats' last two games were played. The Citadel, after trailing during most of the first half, displayed a

great fight in the final period to score seventeen points while holding the Wildcats to five. Thereby they gained a 32 to 21 victory.

The College of Charleston quintet avenged its defeat at the Wildcats' hands by taking a 28 to 22 victory over Davidson. The Wildcats tried to record another triumph in their final game and were holding a 15 to 6 lead at the end of the first half. However, the South Carolinians rallied successfully in the closing minutes to come out on top.

Grier Martin, by scoring thirty-eight points in the last five games, won high point honors from Captain Doc Mathis, who led during most of the season. Martin scored ninety-seven points in all while Mathis amassed eighty-three. Bruce Peabody and John Lafferty were next in order tallying sixty-four and fifty-seven points respectively.

At the close of the season the varsity "D" was awarded to Captain G. L. Mathis, Captain-Elect Bruce Peabody, Grier Martin, Jack Wagner, John Lafferty, T. L. Patrick, Mack Holland, and H. K. Boucher as a reward for their valiant efforts and consistent work. Kemp Morton, varsity manager was given the "D" for his service as manager.

# BASEBALL

## BASEBALL

J. A. ABERNETHY, III  
Varsity Manager of Baseball

DAVIDSON'S 1932 baseball season was marked by only a moderate degree of success. Coach Red Laird had to rebuild his entire infield at the start of the schedule and had to fill the catcher's post with a new man. A veteran pitching staff, an outfield carried over intact from the previous year, and the left side of his infield taken care of by lettermen made the task easier.

The Union Theological Seminary outfit opened the season for Davidson and handed the Wildcats a 12 to 3 defeat. Knox Poole, former Davidson pitcher, turned in an excellent two-hit game while his teammates got to Pearce, Croker, and Bailey for fourteen safeties. One bad in-

ning allowed the visitors to score eight runs. Thus was the game sewed up.

Davidson next split a two-game series with the Duke Power Company team, losing the first game 9 to 6 but turning in their first victory with the second game, a hectic 13 to 11 contest. Charlie Pearce pitched the first game and gave up eleven hits. Davidson got ten safeties but could not make her hits count.

The second game was a free-hitting affair, Davidson getting twenty-one bingles and Riverbend eleven. Mathis, Blanton, and Peabody each got four hits out of five times at bat. After scoring five runs in the eighth inning, the Wildcats cut off a rival rally in the ninth to win the game.

Davidson and Carolina opened the Big Five season in Winston-Salem, Carolina winning 8 to 7. Charlie Pearce was accorded poor support in the first inning, two hits, two errors, and a pair of walks giving the Tar Heels six runs. He pitched steady ball the rest of the game except for a pair of hits in the fifth inning which put over the winning runs for Carolina. The Wildcats got to Longest, Tar Heel pitcher, for three runs in the third and sixth innings and another in the fifth, but could not quite overtake Carolina's early lead.

In their fifth game of the season the 'Cats turned back the Elon Christians 8 to 4. Croker allowed only six hits and kept them well scattered, while Davidson made the most of twelve hits and six Elon errors to score frequently. The Wildcats scored three runs in the ninth inning to cinch the game on an error, a base on balls, and a hit batter.

A ninth-inning rally by Lenoir-Rhyne enabled them to win a pitchers' battle and take away what looked like a certain win for the Wildcats. After getting an early two-run lead on Blanton's home run and Bailey's sacrifice to Peabody, the visitors made the most of the wildness of Bailey

VARITY BASEBALL SQUAD

and Pearce to score three runs and a win. Pearce relieved Baily with two men on base, but walked two more men and allowed one hit, which put across the winning run.

Davidson made a track meet out of its game with Catawba and outhit them to win 18 to 10 in a ragged contest. Both teams scored their runs largely as a result of the opponents' errors, there being a total of thirteen misplays. Blanton hit safely four times, one of them being a home run, while Smyre got three hits and stole second base three times.

Charlie Pearce pitched a good game against Wake Forest with the exception of one inning, but this was enough to let the Demon Deacons win 4 to 1 behind the nice hurling of Barnes. Three hits, two of them of the scratch variety which were beat out because of uncertain fielding,

gave Wake Forest three runs in the second inning, and they added another in the fourth. Davidson got its only score in the fifth when Mathis doubled and came home on Morris' hit. Pearce turned his opponents back in good order during five innings, but his moments of weakness were just enough to beat him.

Tim McKeithan, Duke University hurler, held Davidson to three scattered blows and shut them out 8 to 0 for the Wildcat's third Big Five defeat. Again it was at Pearce's expense although this time he was accorded almost perfect support by his teammates. Duke scored once in the first inning on a pair of hits and twice in the second on a single and a home run. They bunched six hits for five runs off Pearce in the eighth to win decisively their game. McKeithan gave no more

A HOMER FOR BLANTON

than one hit in each of the three innings and struck out seven men.

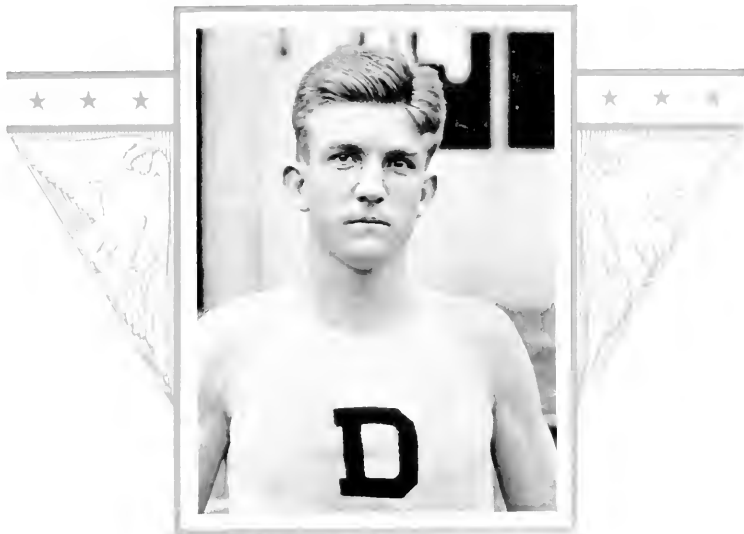

Croker and Baily gave up an even dozen hits between them in Davidson's second game against Elon; this time the Christians won 7 to 4. Elon was able to bunch their hits at advantageous times and to make them count for most, while the Christian pitcher kept Davidson's pretty well scattered.

Peabody led his teammates in batting throughout the early part of the season and played a good game at first base. Captain Bernhardt at third and Mills at short-

stop were veterans at the beginning of the season and formed a nucleus around which Coach Laird could build his infield. Morris in his first year of varsity baseball was a hard, consistent hitter, and made a fine catcher. Blanton at second fielded his territory nicely. Mathis, Bradsher, and Morrison gave the Wildcats an outfield composed of three lettermen. The pitching staff was slightly under par, but their bad showing was sometimes due as much to poor support by their teammates as to any wildness on the part of the hurlers.

# TRACK

## TRACK

T. M. GIGNILLIAT  
*Varsity Manager of Track*

A NUMBER of outstanding individual performers and a well balanced team in general made Davidson's 1932 track season the equal of any of those coming before. Although the Wildeats lost several dual meets, they were nevertheless among the stronger teams of the state.

Three college records were broken in the first dual meets of the season. Bill Flinn, already holder of the record in the pole-vault, which he set last spring, boosted it two inches higher when he cleared the bar at 11 feet, six inches, against Florida in the first meet of the season.

In the Duke meet Cochran and Knox both shattered the existing mark for the discus, setting a new record over five feet better than the previous one. Cochran's throw was 128 feet, 10½ inches. Knox's throw, which did not stand, was 124 feet, 3 inches, eight inches over the old distance of 123 feet 7 inches.

Captain Emmett Brannon lowered his own two-mile mark almost five seconds in winning this event in the V. P. I. meet. He set a mark of 10 minutes, 2.5 seconds, for the distance to better the old record of 10 minutes, 7 seconds.

Davidson opened the season against the University of Florida. A strong finish by the Floridians, who swept in all three places in the last three events, enabled them to turn what had been a fairly close meet into a one-sided affair; they won 74 to 52. The Floridians featured Joe Hall, prominent national decathlon star, who won twenty-two points alone. Fred Fleagle, Davidson dash man, ran the century event in 9.9 seconds, and he set a mark equally as good in winning the 220-yard dash. Captain Emmett Brannon won the two-mile run easily, nearly lapping part of his field.

The Wildeats lost their first Big Five track meet when Duke University beat them 81½ to 41½. Again a strong finish enabled Davidson's opponents to win by an easy margin after the meet had been very close to that point. The outstanding feature from Davidson's viewpoint, was the establishment by Cochran of a new college record in the discus. Brannon again won the two-mile. Other men taking first places for Davidson were McCallie, in the 120-yard high hurdles, and Rhyne, who tied for first in the high jump.

Davidson won her first dual meet when she decisively defeated Virginia Polytechnic Institute 84½ to 41½. From the

VARSITY TRACK SQUAD

fourteen events the Wildcats won ten first places and tied for another. Gobbler athletes were able to win only in the 440-yard dash and the half mile running events. Swart, V. P. I. Southern Conference record holder in the shot-put, won his event with a throw that came close to equalling his record. Four entries, two from Davidson and two from V. P. I., tied for first place in the pole vault. Davidson's performances in this meet were among the best of the season. Outstanding was Captain Brannon's setting of a new college record in the two-mile. Fred Fleagle won both dash events to lead his teammates in the scoring with ten points. Rhyne came close to breaking the local record for the high jump when he cleared the bar at 5 feet, 11 inches, a bare half-inch below the college mark.

Davidson men won all three places in both the mile run and the broad jump in addition to placing first and second in the 120-yard high hurdles.

Davidson's main strength throughout the season was in her dash and distance men. Fleagle in the century and 220-yard dashes ran his races in close to the school record, even threatening the exceptionally good college marks several times. McGehee, Halyburton, and O'Keefe ran the 440-yard dash, and Corbin, Cannon, and Gwynn were the entries in the half-mile.

Captain Emmett Brannon and Alec Earle, in the mile and two mile runs, gave Davidson unusual strength in the distance events. Brannon was almost unbeatable in the state over the longer distance and was generally able to set his own pace. Earle pulled an "iron man"

PRATT TAKES THE HURDLES

stunt in nearly every meet, running in both the mile and two-mile. He showed an unusually fast sprint in his finishes. Howard and Morrow were his running mates in the mile, and Woodside was the third member of the two-mile entry list.

Flinn and Roane were almost on a par in the pole-vault, giving Davidson two strong entries in this event. Flinn raised his own record in the very first meet of the season and continued his assault upon it the rest of the spring, being pushed constantly by Roane. Flinn also entered the broad jump and won a place in several meets.

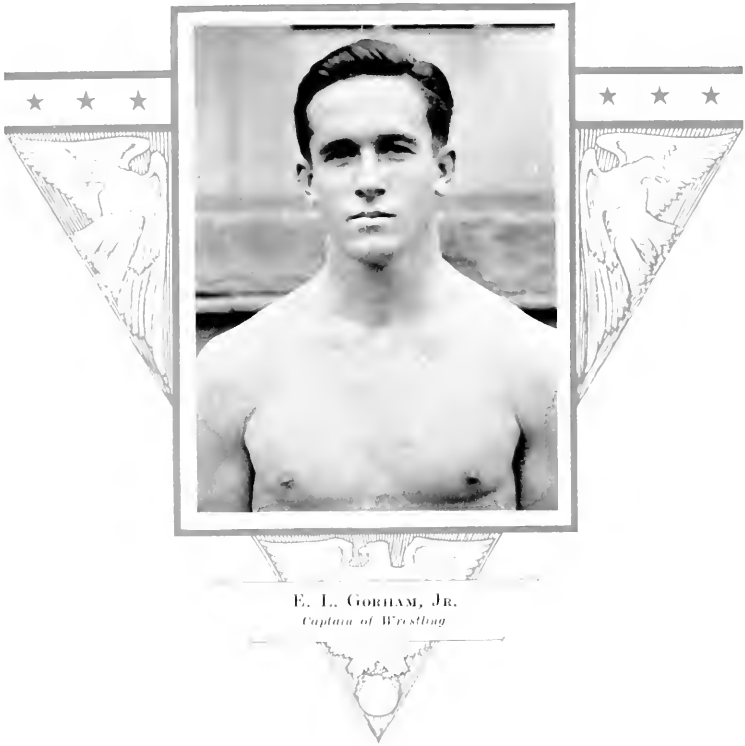

Rhyme, Martin, and Allen in the high jump and Little, Dickerson, and McKinnon, in addition to Flinn, in the broad jump were Davidson's best in these two

events. Rhyme and Martin were practically on a par in their jumping, both clearing the bar regularly at around five feet, eight inches. Davidson's quartet of jumpers gave her several men who regularly jumped over twenty feet.

Cochran and Knox in the discus and shot-put were both highly consistent in their performances throughout the season. Wagner assisted them with the shot and Bettis helped in the discus. Johnston and Brown collaborated in the javelin event to round out Davidson's track team.

In addition to the Florida, Duke, and V. P. I. contests, Davidson had dual meets with Virginia Military Institute, the University of South Carolina, and took part in the State Intercollegiate meet at Greensboro.

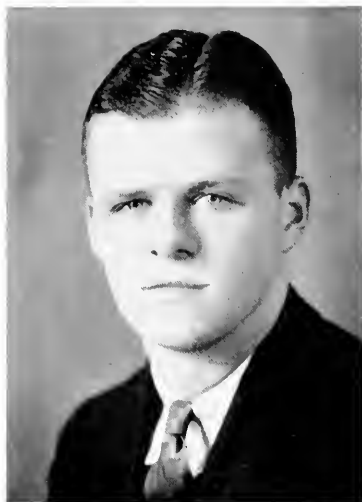

E. L. GORHAM, JR.  
*Captain of Wrestling*

# MINOR SPORTS

## VARSITY WRESTLING

A. A. ST. CLAIR  
*Varsity Manager of Wrestling*

ATTEMPTING one of the most difficult schedules that a Davidson wrestling team has ever faced, the 1932 Wildcat grapplers were unable to win a single match against their five Southern Conference opponents. Washington and Lee, Duke, V. M. I., University of North Carolina, and V. P. I. were met in succession. These were clearly among the strongest teams in the upper half of the Southern Conference; Davidson's failure to defeat any of them can be attributed only to the superior strength of the opponents.

Pye Conway, wrestling in the 165-pound class, won his second state title in that weight in two years. He was unde-

feated in North Carolina in his class and lost only one match during the season, his opponent in the Washington and Lee meet defeating him in an extra-time bout. Against Duke Conway won by a fall, and he gained time advantage against Carolina, V. M. I., and V. P. I.

Captain Ed Gorham wrestled in the 126-pound class. He was out part of the season due to injuries, but was at his best against Carolina, winning his bout by a fall. He did not wrestle against Duke or V. M. I.

Ben Taylor stepped out of his weight in every match except one; in spite of this distinct handicap he won two bouts during the season. Against Washington and Lee Taylor scored Davidson's only points by gaining a time advantage in the 175-pound class. In the V. P. I. match he pinned his opponent to win by a fall.

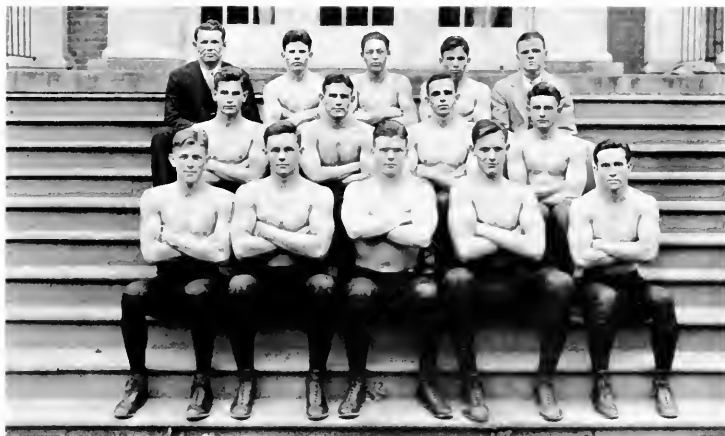

Again tutoring Davidson's grapplers Doc Unger put a well coached team on the mat in every meet. He was handicapped by lack of experienced material, but his team nevertheless made a creditable showing in every match.

Davidson opened the season against Washington and Lee on the home mat. The latter team was victorious by a score of 25 to 3. A fall, five time advantages, and a default by Whitfield, because of an injured shoulder, gave W. & L. their points. Taylor was the only Davidson man to win his match; although wrestling out of his weight, he obtained a time advantage over his opponent. Conway was defeated in one of the most spectacular matches of the afternoon.

The second match of the season was with Duke University in Durham. This meet was won by Duke by a score of 27 to 5. The Blue Devils took seven of the eight matches, three of which were falls. In the 165-pound class, however, Conway threw his opponent, thus gaining the only

VARSITY WRESTLING SQUAD

tally for Davidson. Captain Gorham was out of the meet because of injuries.

The Virginia Military Institute grapplers defeated the Davidson team at Davidson winning by a score of 29 to 3. V. M. I. gained four falls and three time advantages over the 'Cats. Conway again won his match by time, being the only Davidson man to score. For the second time Captain Gorham was unable to wrestle.

Davidson was defeated by the University of North Carolina by a score of 24 to 8. Captain Gorham, wrestling for the second time of the season, and Conway made the points for Davidson, the former by a fall in two minutes and twenty-five seconds and the latter by a time advantage. Carolina had three time advantages and the same number of falls.

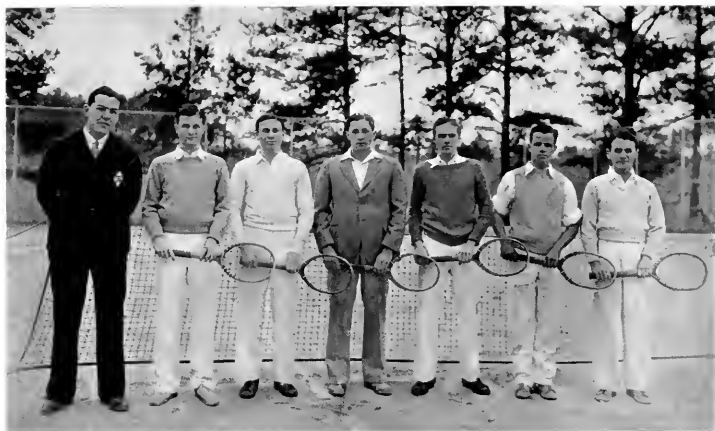

Virginia Polytechnic Institute defeated the Wildcats in the final match of the season by a score of 23 to 8. Conway and Taylor scored for Davidson. Having pre-

viously won three of his four matches, Conway obtained time advantage over his opponent to add another victory to his list. Taylor won his match by a fall, the second he had obtained during the season.

Three members of the squad, Gorham, Conway, and Taylor, were awarded the Varsity "D." The team consisted of the following men in the indicated classes:

115-pound class—Forbis, Jenkins; 125-pound class—Gorham, Corbin; 135 pound class—Tyack; 145-pound class—Ashcraft; 155-pound class—Hodges, Wilson; 165-pound class—Conway; 175-pound class—Taylor; Unlimited class—Whitfield.

VARSITY TENNIS TEAM

## TENNIS

WITH three members of last year's very successful team, Calder, Myers, and Roddey, again in action, the 1932 Davidson tennis team opened its schedule by winning three out of the first four meets.

Opening the season here with the University of South Carolina, the 'Cats displayed good form in winning 4 to 3. The best singles matches were the Holman-Myers and Enloe-Crum contests, Halverstadt and Lafferty winning their matches easily in straight sets. The latter also paired to take the doubles match.

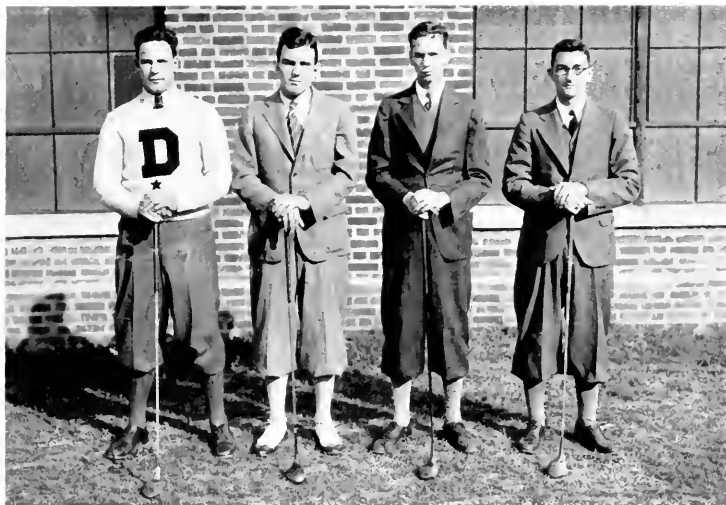

A trip into South Carolina and Georgia resulted in one victory and two defeats. Emory scored the first victory by the score of 6 to 3, Halverstadt and Enloe winning the only singles matches for Davidson and the combination of Halverstadt and Lafferty winning the only doubles contest.

In the second match of the southern trip the University of South Carolina, seeking revenge for a previous defeat at the hands of the 'Cats, fought an uphill battle to defeat the Davidson team 5 to 4. Halverstadt, Lafferty, and Captain Calder were victorious in their singles matches, but Halverstadt and Lafferty were the only pair to win in the doubles.

The most successful engagement of the entire trip was that with Furman, whom the 'Cats defeated 9 to 0, every man winning his singles match and each pair in the doubles contests defeating the opposing Furman netmen.

VARSITY GOLF TEAM

## GOLF

UNDER the leadership of Captain Jack Wagner, the Wildcat team, composed of T. P. Caldwell, Mac Manson, John D. McConnell, and Jack Wagner opened the season in a home match with the Generals of Washington and Lee which was lost by the score of 11½ to 6½.

In a southern tour through Georgia and South Carolina the 'Cats were able to annex but one victory, that over Furman, whom they defeated in a clean sweep of all matches by the score of 18 to 0. Wagner had low medal score for the day. In the match with Emory University at the Druid Hills Club in Atlanta Tom Caldwell was the only winner, the 'Cats coming out on the short end of a 13 to 5 score. The Golden Tornado of Georgia Tech

also put the Davidson golfers down in defeat, playing on Bobby Jones' home course at the East Lake Club. Wagner's victory over Tech's No. 1 and his low score of 77 featured the match. Wagner and Manson paired in the afternoon to win three points, to which John D. McConnell added one, bringing Davidson's score to 7 as compared with Tech's 11.

## FRESHMAN FOOTBALL

J. H. MCKINNON, JR.  
*Manager of Freshman Football*

WITH the best material in several years Coaches Red Laird and Doc Unger developed a Freshman Team in 1931 ranking comparatively high among those against whom the Davidson Freshmen customarily play. Two outstanding victories over the Oak Ridge Cadets and the Tar Babies from the University of North Carolina together with victories over the Wofford College Freshmen and Presbyterian Junior College enabled the Wildkittens to maintain an average of .666 for the season.

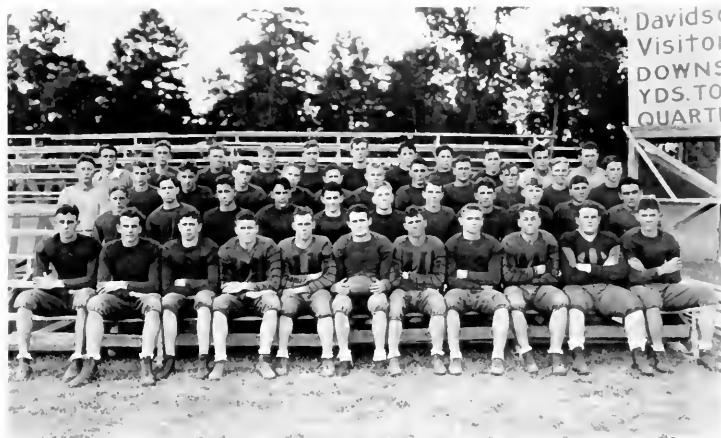

This unusually aggressive Wildkitten eleven met each of its foes on equal ground, being defeated only twice and then only by one touchdown margins at the hands of

North Carolina State and Duke University Freshmen. These two teams were the best in the state; their close margins of victory over the Kittens, 14-7 and 7-0 respectively, will show in some measure the comparative strength of the Freshman eleven.

In the initial fray of the season the Wildkittens smothered the Wofford yearlings by the score of 44 to 6. Displaying exceptionally good form for an opener, the Davidson offense clicked to perfection. Mixing power plays with well executed passes, the Wildkittens came back in the second half to add five touchdowns to two garnered in the first, at the same time limiting the opponents to one marker. Featuring the game was the effective passing combination of MacKorell to Morris which was good several times for fifty- and sixty-yard gains.

The second game of the season, that with the North Carolina State Freshmen, ended in defeat by the score of 14 to 7. State outweighed the Wildkittens over twelve pounds per man and the entire opposing team was superior in almost every department to the Fresh, possessing more reserve strength plus a great deal more speed and stamina. Captain Potter's defensive work in the line and the excellent punting of Morgan, star left end, were outstanding features of the game.

Gaining revenge for their defeat at the hands of the State Freshmen, the Kittens came back in the following game to overwhelm a comparatively weak Presbyterian Junior College team by a 36 to 0 score. The entire Freshmen squad saw action in the latter half of the game. Coaches Laird and Unger making frequent substitutions to give each man a chance at play. Brilliant runs by Smathers and Hutchins brought the spectators to their feet time and again. The Kittens made 18 first downs to compare with two made by the

FRESHMAN FOOTBALL SQUAD

Maxton aggregation.

The Frosh, having regained their confidence following the game with Presbyterian Junior College, defeated their ancient foes, the Oak Ridge Cadets, by the score of 18 to 6. Formerly the Davidson-Oak Ridge contest has usually been thought a set-up for Oak Ridge. Thus the Kittens' victory was considered quite a feather in their caps. Taking advantage of a break in the second quarter, the Wildcats-to-be recovered a fumble on the nine yard line and converted it into a touchdown. The other two scores came in the third and fourth quarters as a result of two perfectly executed passes.

In the last scheduled game the Freshmen were defeated by the Duke University Blue Imps, one of the strongest teams

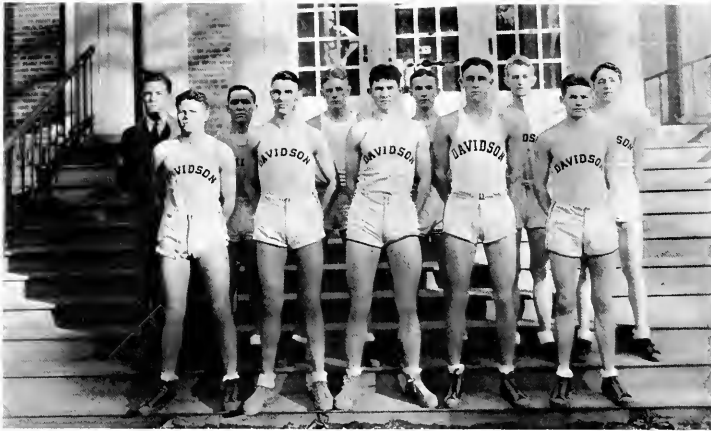

in the state, by the close score of 7 to 0. The winning touchdown came from a short pass in the last two minutes of the game and the extra point was easily converted.

As a fitting climax to a most successful season the Kittens met and defeated the Carolina Freshmen at Hickory in a post-season charity game 13 to 0. Despite a fortnight's layoff and without the services of MacKorell, Hutelins, and Wingfield, the Freshmen played good ball to win easily. Both the touchdowns were made by June Smathers, who broke through the Carolina defense time and again for gains. Morgan's work on the flank and Caton's line backing were also outstanding. While holding the Tar Babies to only three first downs, the Wildkittens managed to take eleven.

FRESHMAN BASKETBALL SQUAD

## FRESHMAN BASKETBALL

WINNING six of their fourteen games, the Davidson Freshman Basketball Team, coached by Monk Younger, had a reasonably good season. Coach Younger had fine material with which to work, noteworthy among which was Captain Charlie Harris, high scorer for the season, and Lee West, center.

The Wildkittens won their first game easily, defeating Balls Creek 44 to 23. Steele Creek barely defeated them in the next game by 41 to 38. Following a close contest with the Myers Hardware Company, which the Freshmen won, they

dropped three in a row to Oak Ridge, Duke Freshmen, and Belmont Abbey. The Wildkittens played a return game with Balls Creek, and again they scored a win though by not as wide a margin as in the first victory.

The Kittens rallied to win their last three games of the year. They defeated the strong Caldwell Memorial team of Charlotte 23 to 18 in one of the best exhibitions of the season. Darlington School was likewise beaten 32 to 21, and the Fresh closed their season by trouncing easily the Lincolnton All-Stars 36 to 21.

FRESHMAN BASEBALL SQUAD

## FRESHMAN BASEBALL

**T**HE Davidson Freshman Baseball Team had one of the most successful seasons a yearling nine has had in several years. Doc Unger's squad was well equipped with a good infield, a capable pitching staff, and an outfield that measured up to the rest of the squad. The team's hitting was low, but there was enough punch in the first string to enable the Wildkittens to win a majority of their games.

A fine infield, with Morris at first, Bumgardner at second, Mackorell at short stop, Morgan at third, and Ravenel as utility man, played no small part in the success of the team. Morris was a long and lanky first baseman who could well reach out and snag the ball. Mackorell and Morgan presented an almost air-tight

left side, and Bumgardner performed well around the keystone sack.

In hitting as well as in fielding this quartet was well above par. Both Morgan and Morris hit considerably over .400 for the season and Mackorell's mark was over .300. Their blows went for extra bases a number of times, and the three drove in many of Davidson's runs. Morgan drove out the longest home run ever hit on Richardson Field when he pushed the ball over the left-center field hedge early in the season.

Davidson	6	Hickory H. S.	5

FRESHMAN TRACK SQUAD

## FRESHMAN TRACK

THE Freshmen, maintaining the same standard set by their class in fall and winter sports, produced a track team which was among the strongest of those of the last several years.

At this time the Wildkittens have participated in only one meet, a triangular affair with Charlotte and Greensboro High Schools, the team from Charlotte High winning with a total of  $60\frac{3}{4}$  points. The 'Kittens took second place by amassing  $59\frac{3}{4}$  points while Greensboro High came in third with  $20\frac{1}{2}$  points. Although the Frosh lost by one point, the team in general did much credit to itself by a well balanced performance, several men even giving brilliant exhibitions.

Hufford performed exceedingly well in the dashes, particularly in the 220-yard event. In the 440-yard run the Freshmen have two exceptional men in Glasgow and Gullette. Another prominent man on the team was Harris, who participated in both high and low hurdles and in the high jump. In the triangular meet he took first place in the high hurdles and second place in the lows. The Freshmen are well represented in the 880-yard run by Dulin, an excellent prospect for the varsity next year, and Rose. Other members of this squad who should prove valuable to the varsity in the future are McFadyen in the mile run; West and Quarterman in the pole vault; and Gammon in the high jump.

FRESHMAN WRESTLING SQUAD

## FRESHMAN WRESTLING

**W**HEN the call for Freshman wrestling was issued last fall a group of promising but inexperienced men reported to Coach Unger for practice. From this squad he built a strong and representative team, going through the season with three victories and one defeat.

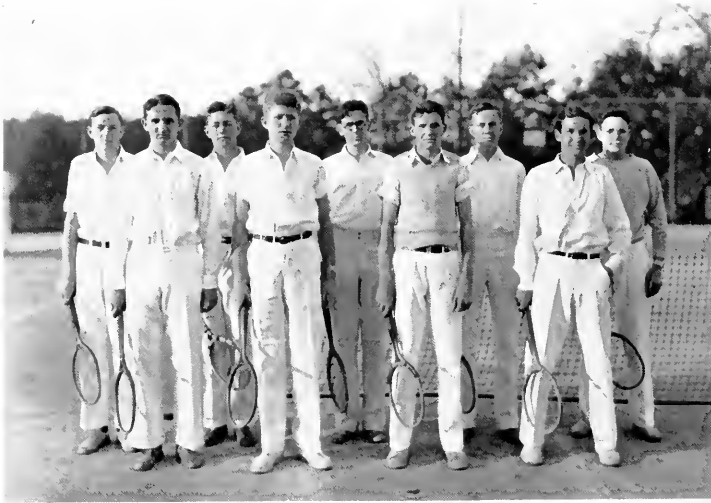

The first meet of the year was with an impressive aggregation from Oak Ridge. The lead swapped from one side to the other during the match. When the unlimited bout was reached the Cadets were leading 14 to 13. Whether victory or defeat was in store for the Wildkittens depended upon "Fat" Hand, and he acquitted himself well by gaining a time advantage over his opponent and a winning margin for his team. The Freshmen had no trouble in defeating Salisbury High School 30 to 0 in their second meet. A week later they journeyed to Durham to defeat the Duke Freshmen 25 to 10. In

the last match of the year the Wildkittens were defeated 16½ to 9½ by a powerful Carolina Freshman team. All of the bouts in this meet were exceedingly close, the score scarcely indicating the narrow margin of victory.

Among the men composing the team were: Jones, 118-pound class; Owens, 125-pound class; Sprunt and Griffith, 135-pound class; Fort, 145-pound class; Quarterman, 155-pound class; Potter, 165-pound class; Siewers, 175-pound class; and Hand, unlimited.

FRESHMAN TENNIS SQUAD

## FRESHMAN TENNIS

**T**HE Wildkitten tennis team proved to be the most successful of all of our branches of athletics during 1931-32. With the progression of the season the four men who made up the team, Gordon Brown, Dudley Elvery, Tom Phifer, and Bob Coit, developed into a formidable group. Brown captained the team.

Opening their season with a perfect performance against Central High in Charlotte, the Freshman netmen took a 6 to 0 victory, typical of the remainder of scores turned in. The feature match was between Campbell of Charlotte and Coit of the Freshmen. Charlotte won only one set during the meet.

On April 9th the most interesting meet of the season was held, when the Wildkittens defeated Darlington at Davidson,

6 to 0. All the singles matches except one required three sets to determine the winner. Both the singles and doubles matches were hard fought, but in each case the Davidson racketeers outplayed their opponents. The fastest match of the season was played in this meet, when Captain Brown of Davidson met Grier, the visitors' No. 1 man. Each had a set to his credit, and the outcome was very uncertain until Brown pushed forward in the last few games to win the set, 6-3.

## THE PUBLICATIONS BOARD

THE provisions of the Constitution of the Student Government specify that five men shall be elected to constitute the Publications Board. Three of these are to be student members, and the remaining two are to be chosen from the Faculty. The three student members are elected annually by the Student Body from nominations made by the staffs of *The Davidsonian*, *Quips and Cranks*, and *The Yowl*.

This board has certain specific powers which are designated to it, and it carries

out highly important duties. The complete supervision of the financial administration of the three publications is delegated to it. To appoint the business managers of the publications each year is also among its duties. The managers are directly responsible to this board.

For the current year the student members were E. C. Dwelle, Jr., President; D. G. Martin, Secretary; and R. W. Gorrell. The faculty members were Mr. F. L. Jackson and Mr. F. K. Fleagle.

## PUBLICATIONS MANAGEMENT

FROM each of the business staffs of the three major publications every year one man is chosen by the Publications Board to fill the position of business manager for the following year. Because of the difficult nature of the positions men of unusual abilities must be selected. Widespread financial strife has added to the complexities connected with the job heretofore. Despite these troubles the campus publications have not been significantly hampered in their activities.

Though the source of income from the subscriptions has not been diminished, advertisements have been more difficult to obtain than usual.

These handicaps have been dealt with very successfully, however, by P. M. Conway of *The Davidsonian*, R. W. Gorrell, of *Quips and Cranks*, and F. G. Jenkins of *The Yowl*. Jenkins was appointed to fill the place of A. J. Baker who failed to return this year.

## THE DAVIDSON R. O. T. C. UNIT

THE BATTALION STAFF

**T**HE Davidson R. O. T. C. unit holds a prominent position among the numerous and varied departments of education in the College. A military post was established on the campus during the World War to train the students enrolled at that time expressly for military service. The present R. O. T. C. unit has been de-

veloped since the war from that beginning and has had a continuous existence to this time. There are stationed here four commissioned and two non-commissioned army officers. The commanding officer in charge of the unit is Lt.-Col. W. R. Scott, the others being Capt. W. L. Blanton, Capt. F. M. Cochran, and Capt. C. W. Seifert. Sgt. B. R. Burton, and Sgt. J. L. Kirby are the two non-commissioned officers. Davidson has always been fortunate in obtaining men of exceptionally high caliber for these posts. Lt.-Col. Scott has been in charge of the R. O. T. C. camp at Anniston, Alabama for the last three summers, a very important and coveted position. This army camp is attended each year by rising Seniors from all the colleges and universities in the South having R. O. T. C. units. Each man who takes the advanced course offered in R. O. T. C. must attend for six weeks in the summer between his Junior and Senior years in college.

THE MILITARY INSTRUCTION STAFF

SENIOR CADET OFFICERS

The one change recently made in the staff was the substitution of Capt. Seifert, who was called here from Panama, for Capt. Otto, who was transferred from Davidson to the tank school in Maryland.

A distinguished rating was again given to Davidson for the current year in the Fourth Corps Area when the battalion was inspected by visiting officers.

Three men from the Davidson unit at the summer R. O. T. C. camp at Anniston, Alabama, were chosen to be on the rifle team from the Fourth Corps Area com-

peting in the national matches at Camp Perry, Ohio. These men were Cadet Major S. S. Wiley; Cadet Lt. M. L. Brohard; and Cadet Lt. A. J. Graham. Cadet Major Wiley was also the captain of the R. O. T. C. Rifle Team at Davidson. Represented on this are approximately eighteen men. Though most of the competitions are staged in correspondence meets, several shoulder to shoulder matches were held with units in the close vicinity of Davidson.

FRATERNITIES

**I**N the early stages of the War for Independence General Davidson formed a lasting fellowship with Lighthorse Harry Lee, progenitor of the grandest man the South has ever known. During the dismal months at Valley Forge Davidson and Lee welded together the links of a friendship to endure as long as life itself.

In this last scene we see the two men together before a campfire in the gloomy winter at Valley Forge.

# HONORARY FRATERNITIES

## HONORARY FRATERNITIES

SINCE the earliest times in the history of American colleges and universities students have assembled to form groups for various reasons. Many of these organizations were formed and have existed to the present time to bring men together in order that closer friendships could be formed. Others have existed solely for the purpose of admitting men who have achieved distinction in a certain field and to further the members in their pursuit of knowledge in this direction. A person may be admitted to more than one of these groups if he proves himself proficient in more than one line of activity. Membership in some is solely on the basis of scholarship; of these Phi Beta Kappa stands preëminent. In order to gain admission to others the student must prove himself a recognized campus leader; such a society is Omicron Delta Kappa. Other organizations exist for the purpose of admitting men who excel in the languages or the sciences.

There are nineteen of these at Davidson. Some are locals and some are national, but all have clearly defined purposes in their constitutions. In a few instances these fraternities are carrying out in a worthy fashion the ends for which they were organized. A handful are very active in furthering their own avowed projects.

On the other hand there are many of them which are very inactive and almost totally lacking in life. They exist merely in name and not only do not benefit the members to any extent but actually are detrimental, utilizing the time and money of the members for worthless ends. Those groups which are developing in the right manner should be fostered in every way possible, but the others should give up their charters and leave the field open for other and more useful activities.
